WHITE TEAK INTRODUCTION

Introduction to White Teak

Our White Teak shutters range is FSC® certified. We hold a FSC Trademark Licence that allows us to promote the FSC certified products that we offer. Our FSC Trademark Licence code is FSC® N001943.

1) Material features and benefits:

White Teak is the finest quality timber and is of a beautiful silvery colour with tight grains and high dimensional stability making it an ideal wood for joinery and carpentry and this includes shutter production.

Sustainability: White Teak is grown on the island of Kolombangara in the Solomon Islands which nurtures several protected forest as well as a plantation area of 14,330 hectares planted with mixed indigenous and exotic commercial wood species.

2) Frames and panels:

Frames:

Large range of frames available.

3) Stiles:

Please note the stiles are manufactured in a beaded stile. The stile has a depth of 25.4mm, and engineered stiles are reinforced by using multiple layers of wood bonded together ensure that the panel does not twist or warp.

4) Louvres:

White Teak is available in 32mm, 47mm, 64mm, 76mm, 89mm, 114mm elliptical louvres and in 60 and 84mm flat louvres.

5) Special Shapes:

Linear and curved special shapes are available.

6) Colour palette:

There are a total of 28 contemporary colours available and the swatch is the same swatch as your Silkwood swatch.

A choice of 20 stains is also available.

The back 9 colours of the paint swatch are representations of popular Farrow and Ball colours. The code printed on the key ring corresponds to the F&B code i.e.

WHITE TEAK COLOURS

COLOURS

Please note. Colours may vary slightly between dye lots. Shutters for the same installation should be ordered together to avoid variations in colour. Colours may vary slightly from colour samples. For this reason, colour samples should be updated annually.

When adding to an existing installation please note on the order card to either use existing dye lot or if you prefer an exact match then you will need to supply a sample from the existing installation and note the order card to this effect. Please note this will be charged as a custom colour.
